

## **Safeguarding and Welfare Requirement: Equal Opportunities**

Providers must have and implement a policy, and procedures, to promote equality of opportunity for children in their care, including support for children with special educational needs or disabilities.

### **9.1 Valuing diversity and promoting equality**

#### **Policy statement**

At Little Tewkes we will ensure that our service is fully inclusive in meeting the needs of all children. We recognise that children and their families come from diverse backgrounds. All families have needs and values that arise from their social and economic, ethnic and cultural or religious backgrounds. Children grow up in diverse family structures that include two parent and one parent families; some children have two parents of the same sex. Some children have close links with extended families of grandparents, aunts, uncles and cousins; while others may be more removed from close kin, or may live with other relatives or foster carers.

Some children have needs that arise from disability or impairment, or may have parents that are affected by disability or impairment. Some children come from families who experience social exclusion or severe hardship; some have to face discrimination and prejudice because of their ethnicity, the languages they speak, their religious or belief background, their gender or their impairment.

Some individuals face discrimination linked to their gender and some women are discriminated against because of their pregnancy and maternity status. We understand that all these factors can affect the well-being of children within these families and may adversely impact on children's learning, attainment and life outcomes.

At Little Tewkes we understand that these factors affect the well-being of children and can impact on their learning and attainment. Our setting is committed to anti-discriminatory practice to promote equality of opportunity and valuing diversity for all children and families. We aim to:

- promote equality and value diversity within our service and foster good relations with the local community;
- actively include all families and value the positive contribution they make to our service;
- provide a secure and accessible environment in which all of our children can flourish and in which all contributions are considered and valued;
- include and value the contribution of all families to our understanding of equality and diversity;
- provide positive non-stereotyping environment that promotes dignity, respect and understanding of difference in all forms;
- improve our knowledge and understanding of issues of anti-discriminatory practice, promoting equality and valuing diversity;
- make inclusion a thread that runs through all of the activities of the setting; and

- challenge and eliminate discriminatory actions on the basis of a protected characteristic as defined by the Equality Act (2010) namely:
  - age;
  - gender;
  - gender reassignment;
  - marital status;
  - pregnancy and maternity;
  - race;
  - disability;
  - sexual orientation; and
  - religion or belief.
- where possible, take positive action to benefit groups or individuals with protected characteristics who are disadvantaged, have a disproportional representation within the service or need different things from the service.

It encourages children to empathise with others and to begin to develop the skills and confidence of critical thinking, self-esteem and reflection.

Our environment is as accessible as possible for all visitors and service users. If access to the settings is found to treat disabled children or adults less favourably, then we make reasonable adjustments to accommodate the needs of disabled children and adults. We do this by:

- creating an environment of mutual respect and tolerance;
- modelling desirable behaviour to children and helping children to understand that discriminatory behaviour and remarks are hurtful and unacceptable;
- positively reflecting the widest possible range of communities within resources;
- avoiding use of stereotypes or derogatory images within our books or any other visual materials;
- celebrating locally observed festivals and holy days;
- ensuring that children learning English as an additional language have full access to the curriculum and are supported in their learning;

We ensure that our environment is as accessible as possible for all visitors and service users. We do this by:
